Member takes home \$500 in gas

Debra Henry found out that patience can pay off. She picked up a membership referral sheet at American 1's Grass Lake branch, and held on to it for months.

Finally she gave it to her daughter in July. And the waiting paid off – literally. Debra won our July \$500 gas card drawing for referring her daughter and son-in-law.

"I never win anything," Debra said. "I had a hard time believing I had won."

Refer a friend or family member and you could be our next \$500 gas card winner. Simply pick up a referral card at any branch, give to a non-member, and have them bring it in when they open their new account.

Credit Union

Q and A

Q What's the best checking option at American 1?

A Most members will agree that free checking is the way to go. That's why American 1 offers Freedom Checking. All you need to qualify for this no-minimum-balance, no-monthly-fee account is direct deposit with American 1 and a loan product. This could be a vehicle loan, a Visa card, a home equity LOC, etc.

If you sign up for a Visa card, you could assign your credit line to serve as overdraft protection.

American 1 provides easy checking switch forms online!
