Back to School:

Shopping that fits your budget

Kids say the darndest things. They need the darndest things for the new school year, too, and that's where American 1 can help.

We offer affordable Back-to-School loans that will get you shopping for school supplies in no time. Get pre-approved for a Back-to-School loan before you go to the stores, and we can help you set up a payment plan that works best for your budget.

An American 1 Visa can help you get your student's new clothes, shoes, supplies, backpack, or computer that will get them ready for the school year.

Low monthly payments, competitive rates, and easy approval make a Back-to-School loan or Visa card an affordable way to go shopping. Trying on all those clothes? That's still up to you.

Visit our web site at www.american1fcu.org to get pre-approved, or stop by any branch.

Vacation Club:

Save for your getaway

It used to be you could put all your change in a jar and, over the course of a year, save up enough coins to pay your way to a nice, relaxing vacation.

An American 1 Vacation Club is like that, only better. Why? It pays dividends when it matures every year on May 31.

You can make deposits into your Vacation Club as often as you want. Automatic deposits and the ability to transfer funds online or at any branch

make saving for your next family getaway a breeze.

You also earn discounts on theme park tickets for each deposit you make. The more deposits, the more you can save.

Opening up a Vacation Club doesn't cost you anything. It's a lot like a Christmas Club, but for your summer-time spending or saving. Open your Vacation Club at any branch and start saving today. It pays better than the ol' jar.
