

AUTO LOAN CONVENIENCE

PAYMENTS MADE EASY

Set up a checking account

Open a checking account with American 1 to make paying your auto loan a breeze. You can set up automatic payments each month, or transfer money from your checking to your loan on your next branch visit.

Log on to home banking

Along with a checking account, American 1's online banking can make paying on your auto loan even easier. Log on, transfer money, and view your account balance from anywhere there's an Internet connection. Best of all, home banking is free!

Other convenient options

Pay all your bills, including your auto insurance bill, online with American 1's Bill Pay. Enroll in American 1's e-statement service to view your statement electronically each month. Then sign up for American 1 Access to manage your account over the phone. Talk about convenience!
